A MONTHLY  
TOWN OF BARNSTABLE  
NEWSLETTER

**May 2015**

### From the Town Manager

Dear Reader:

After a long winter, we are grateful to see the sun shining on our Town. Our DPW crews along with all departments continue to be hard at work to clean up all that Mother Nature has left behind. We are looking forward to the continuing seasonal changes.

As I mentioned last month, we are in budget season. Our Capital Improvements Plan (CIP) budget book was presented to the Town Council in April. Presentations started April 16th and will continue on May 7th. The Town Council will receive the FY2016 Operating Budget document at their May 21st Town Council Meeting. Budget Workshops will start on June 4th.

Memorial Day is May 25th, the start of another wonderful summer season!

### Update on the Enoch Cobb Early Learning Center and Proposed Playground

The construction on the new Enoch Cobb Early Learning Center is underway and on schedule! A new playground at the early learning center is being proposed with a possible donation from the Barnstable Disability Commission. The Enoch Cobb Early Learning Center Principal Search Committee has begun its search.

As work continues on the Cobb Early Learning Center the following is an update on the project milestones and schedule:

- Site rough grade and drainage work is complete
- Sewer line and manhole installation is complete
- Driveway and parking lot sub-grade is complete
- Footings, foundations and piers poured
- Site backfill is complete
- Unit(s) delivered to Barnstable the week of April 27<sup>th</sup>
- Building/unit set to begin the week of May 4<sup>th</sup>
- Building turnover by July 15<sup>th</sup>

**Building foundations are poured at CELC jobsite**

With the construction of the building on schedule, we can turn our focus to finding a Principal to lead the new Enoch Cobb Early Learning Center. The principal search committee is being chaired by the Director of Special Education, Jane Jezard, and committee members include the Assistant Director of Special Education, Eric Bruinooge, and parent Gareth Markwell. The principal search is currently in progress with initial interviews having taken place the week of April 27<sup>th</sup>. We are excited to find the leader of our youngest learners.

The Barnstable Disability Commission Chair Sheila Mulcahy and member Raye Kaddy have spoken with Tom Lynch and the School Department about donating money for a new playground at the early learning center. The discussion is still in the early stages, but we are looking forward to not only a new early learning center at the opening of the 2015-2016 school year, but a new playground as well.

After years of planning, the Enoch Cobb Early Learning Center is finally going to be opened for the 2015-2016 school year with a new principal and, hopefully, a new playground. I would like to thank everyone who has been involved in the process from the early planning stages to present day.
