NEWSLETTER

**December 2016**

### From the Town Manager

Dear Reader:

November has brought us unseasonably warm weather allowing us to enjoy the many activities and resources across our community. The opening of our shellfish beds is always a welcome sign of the approaching holiday season and a valued resource in our community.

Election Day has come and gone, and we again thank our hardworking Town Clerk's office and poll workers for the tremendous amount of work they have put in to this year's busy Election Season. It was the first time Massachusetts allowed for Early Voting and it was well received by our voting public.

The twenty-fourth session of *Inside Barnstable Town Government, A Citizens Leadership Academy* will begin Tuesday, January 31, 2017. We hope you will consider joining the hundreds of Barnstable residents who have learned about how the Town of Barnstable operates. More information appears on the back page of this issue.

In closing, I want to wish you and your family a joyous and safe Holiday Season!

Regards,  
*Mark S. Ellis*

### TOWN CLERK REMINDERS FOR DECEMBER...

The election is over and 77% of Barnstable voters turned out to cast their ballots in November. We have seen many of you taking advantage of early voting this year. The consensus was "it was great!" Many voters said they were happy to early vote and have it over.

My poll workers and the DPW workers have performed admirably through the early voting and through the General Election with smiles on their faces and many extra hours of work. A colossal thank you to all of the poll workers and wardens who made the election possible for more than 26,000 people; thanks also go to the DPW workers, Police Officers, facility and maintenance staff at the churches, schools and other locations. Additionally, the folks that volunteered their time to assist us with the early voting, many thanks to former Town Clerk Linda Hutchenrider; Judy Candiloro; Community Services Director Lynne Poyant; Diane Poyant; Town Council President Jessica Rapp Grasseti; Finance Director, Mark Milne; and Town Attorney Ruth Weil - you made a tremendous difference. My last big thank you goes to my staff for not only working long hours, but working under difficult situations and doing a wonderful job.

The next large project that we are working on is to prepare for the annual census. This will be going out, hopefully, by the first week in January. The census is required by the Commonwealth of Massachusetts; and the Federal Motor Voter Law requires us to do an annual voter confirmation. Consequently, the Commonwealth of Massachusetts has directed clerks to utilize the same form to get both jobs done. With the census/voter confirmation form we are just verifying that you are still at that address. If there are any changes that need to be made to the form; or additions or deletions to your family; write the changes on the form and return it to us. Our goal is to keep all voters active!

I hope you all enjoy the festivities that December can bring. With the varied celebrations of Kwanzaa, Hanukkah and Christmas, it truly is a season to rejoice. May your holidays be filled with joy, laughter, family and friends.

## Superintendent's Corner

December Greetings!

As our students, families and staff prepare for the holidays, I am reminded of the dedication of our Barnstable Public School (BPS) staff. Our BPS staff take great care in ensuring our children experience a sense of community in our schools. Our schools will continue to provide positive learning environments where tolerance, empathy, and compassion are taught and modeled. This holiday season provides yet another opportunity to celebrate Barnstable's many cultures and traditions. Our diverse school community is our strength and we remain a proud world community.

Many of our students are engaged in community service, fundraising, and charitable events to support our community throughout the year, but in particular this holiday season. Our students "pay it forward" in order to make a difference in the lives of others. BPS students are partnering with numerous organizations for food drives, clothing drives, toy drives and other fundraisers to benefit our community. We know many of our families and staff give in untold ways throughout the year, and we are grateful for the generosity of our community.

Our students' engagement in community service is just one component of civic life. The National Council for Social Studies highlights the mission of schools to prepare all students for civic life through their statement: *our democratic republic will not sustain unless students are aware of their changing cultural and physical environments; know the past; read, write, and think deeply; and act in ways that promote the common good.* In Barnstable Public Schools we are focused on developing our students as knowledgeable, thinking and active citizens!

May you and your family enjoy this holiday season where we are fortunate to witness a spirit of giving across our proud and inclusive community.
