ROADWAY IMPROVEMENTS
MISTIC DRIVE, MARSTONS MILLS

The Department of Public Works will be performing roadway improvements on Mystic Drive in Marstons Mills beginning on Wednesday, September 19, 2018. Improvements include pavement reclamation, fine grading and compacting, drainage structure adjustments and a new asphalt pavement road surface. Work is expected to be completed by Friday, October 5, 2018, weather permitting.

Vehicle access during construction operations will be restricted to one lane. Motorists are advised to seek alternate routes to avoid the construction work.

Operations will start promptly at 7 AM and run until 5 PM, after which time traffic will be opened back onto both lanes of these roadways.

As always, please slow down and use extreme caution when traveling through the road construction areas and follow posted safety signs.
