Councilor Atsalis thanked Mr. Jope for coming back and showing interest again in the Committee. The growth in our senior population in the coming years, are there one or more things we need to do to get ready for that population to be pro-active in reaching and servicing those needs.

Mr. Jope answered “We need to get the word out that we exist, not many of the residents know we are here, or of the services we provide to our seniors.” Outreach will be my priority.

Councilor Mendes thanked Mr. Jope for coming back, Councilor Mendes appreciated his voice and statistics regarding the population of seniors, Councilor Mendes mentioned that when you were on the committee last time, he has heard good feedback that you work well with others and listen to people on the Committee and make best choices after listening to everyone, and that is important to do when you’re a member of a committee.

Councilor Shaughnessy has worked with Mr. Jope in the past when he was the Chair of the Committee before having to resign. Councilor Shaughnessy is liaison to the Council on Aging, and mentioned that before John became Chair the Committee really felt they did not have a place in the town, and did not have a sense of direction, but when John became Chair he really made things happen and the committee finally was noticed. He has put some great programs together and had put together little sub committees within the Council on Aging who would be working on different ideas, the Agenda was always timely and posted correctly, It is just a breath of fresh air your deciding to return.

Councilor Starr agrees with everyone, and thanked Mr. Jope for returning.

Councilor Schnepf is also glad that he had decided to return, and thanked him for his years prior, and also for coming in tonight to reapply for his position.

Councilor Schnepf explained the next step in the process of the recommendations to the full Council.

Councilor Schnepf welcomed the next candidate Mr. Anthony Lapolla. Mr. Lapolla has submitted an application to serve on the Recreation Commission.

Mr. Lapolla thanked the Committee for tonight's opportunity. Mr. Lapolla has spent 45 years in education, and wants to give back to the community. He is a big believer in Recreation and wellness; the two concepts go hand in hand. Has attended the Barnstable Police Academy and has a new respect for our law enforcement and appreciates all they do for the town.

Councilor Mendes thanked Mr. Lapolla for coming in, Councilor Mendes asked how Mr. Lapolla sees wellness as part of the recreation.

Mr. Lapolla stated that our youth need opportunities and to be shown how to achieve those opportunities, and I also have a very strong passion for mentorship to our youth and believes its very important part of our youth. Giving our youth the most and best opportunities we can. Councilor Mendes said he believes that wellness is a very important part of recreation, and is very excited to have someone such as you apply.

Councilor Atsalis is currently liaison to the Recreation Commission and recommended that Mr. Lapolla look at the web page and see what they do and what they are about. Councilor Atsalis asked if Mr. Lapolla agrees with the statement that the grounds and outside facilities are important and up to date. Mr. Lapolla loves the pickle ball courts in Marstons Mills, they are phenomenal. Having quality facilities is important because it gives the residents a place to enjoy.

Councilor Shaughnessy appreciates all the educators who come back and volunteer for our Boards and Committees. Councilor Shaughnessy asked Mr. Lapolla what he believes makes a successful community. Mr. Lapolla answered mutual respect for one another and listening to one another as ideas are presented, active listening, and also knowing that you will not get everything you want but middle ground is achievable.

Councilor Schnepf explained the next process in the Appointments Committee to Mr. Lapolla, and if he had any questions or concerns to reach out to our office.

Ms. Hinckley-Needham has lived on the Cape her whole life; currently works at Cape Cod Health Care and Falmouth Hospital. When she works in the Emergency Room for Cape Cod Healthcare, she sees a lot of mental health issues, drug problems, homeless individuals, alcoholism; there are huge issues on the Cape, lots of food insecurities, and she doesn't know where it all went array, she used to walk up and down Main Street all the time, and now tells her children not to, the Cape is not what it used to be, her son was killed by a drunk driver in Marstons Mills while riding his bike, so we have a huge problem here, and she would like to be part of the solution in some way, does not see any improvement, only getting worse. She loves helping people, so maybe by being on this Committee she may have a chance to actually bring some change and relief to people that are struggling every day.

Councilor Atsalis appreciates her commitment to wanting to join another Committee for our Town, and believes Ms. Needham will be an asset to this Committee.

Councilor Shaughnessy thanked Ms. Hinckley-Needham for coming in and mentioned she also shares the same grief of losing someone dear to her by a drunk driver, and she understands the passion. Councilor Shaughnessy believes that Ms. Hinckley-Needham will be a very valuable asset to this Committee.

Frances Parks consideration of reappointment to the Historical Commission

Ms. Parks currently is a member of the Trust Fund Advisory, Historical Commission, and the Local Comprehensive Planning Board, and will admit that on the Historical Commission meetings will become rattled when other members whisper under their breath or try to undermine her as a Chair; but believes that has all been worked out. If there were issues on the Historical Commission when she became Chair that was brought to Councilor Atsalis's attention, they were not told to her, or the Director of Planning and Development, Elizabeth Jenkins. Ms. Parks would very much like to stay on the Historical Commission but does not believe that Councilor Atsalis will not make the same comments at the Town Council level, and she does not want them to be part of a record in the Town. Ms. Parks has chosen not to be reappointed to the Historical Commission.

Chair of the Committee thanked Ms. Parks for her time on the Historical Commission, and appreciates her service to the Committee. Councilor Shaughnessy wanted to thank Ms. Parks for her time on the Historical Commission and is sad that Cotuit will not be represented, but is thankful that Ms. Parks will remain on the Local Comprehensive Planning, as well as the Trust Fund Advisory Committee, and hopes that Ms. Parks knows how grateful we are for her years of dedication of service to the town and all the issues that come up, with her thoughtful comments.

Larry Hurwitz consideration for the Zoning Board of Appeals; Mr. Hurwitz was interviewed at the last Appointments Committee meeting. He would like to be considered for the open position on the Zoning Board of Appeals.
