Synopsis of the 2018 Rate Meeting with the Town Manager:

Chair Miller gave a brief description of what happened at the fee hearing and that Mark Milne agreed with our increases and that we are now just waiting for the Town Manager and his final approval. Topic discussed briefly

John Cookson asked if there were any town councilors at the meeting, Chair Miller responded that there were none present

Chair Miller advised the board that he is going to put two new items on the agenda next month and that he wants everyone to have time to think about them before we talk next month.

1. Discussion: Delineation of Tee Times – Member/Non Member to see if there are areas we can approve on
2. Other New Community Uses For Hyannis Golf Course

Director of Golf Report: Chris White

Bruce wanted you to know that we have a lot going on right now he will have more information about the cart lease at OBF and other projects next month. He also did want me to mention that October was a good month financially

-Mary pointed out the new annual pass drive is going well and up to 50 new passes

-John Cookson asked about the lesson line item on the financial report and how it works.

Wayne explained how the lessons work for both the golf professionals and David Donnellan

-John also asked if the pros have any incentive to sell more products. Chris and Wayne both explained how it is part of their job to make sure the shop is fully stocked with the right merchandise for the right season.

Director of Golf Maintenance Report: Chris White

-Aeration went very well at both courses and we are now onto fall clean up mode. All the seasonal help will be done by Thanksgiving and our full time staff will start to take some much needed time off. We will be doing a snow mold spray at both courses to prepare for winter. Also a large tree came down near the 7th tee box at Olde Barnstable and I want to thank DPW for helping us out with removing it safely.

Fred Parker: Suggested sending an email out about the membership association
