NOTE: A quorum was not present, and therefore no action was taken on the following Agenda

Acting under the provisions of the Code of the Town of Barnstable, Protection of Historic Properties, ss 112-1 through 112-7, the Historical Commission opened the Hearing at 4:07pm and Chairman Grassetti noted for the record that a quorum was not present and therefore no action could be taken.

Notice of Intent to File a Permit to Demolish:

Butzke, Linda Ann, 1600 Santuit-Newtown Road, Cotuit, Map 024, Parcel 017

Partial Demolition – Built 1897, Inventoried

Chair Grassetti stated to the applicant that there was no quorum of Commission members present and explained the options available. Ms. Butzke could withdraw her application, file an extension of time limit for the Commission to act, or simply let the process continue and the time in which the Commission must act would expire. Ms. Butzke inquired if the final option would provide her with approval for the partial demolition and Ms. Buntich clarified that the Commission would not be granting demolition, it would be allowed by default.

Ms. Butzke would like to let the process continue and is confident that the partial demolition that is proposed for the front porch and the rear overhanging roof is appropriate.
