The Hyannis Transformative Development Initiative (TDI) Program has ended after its 3-year cycle completed in June 2025. Established by the Massachusetts Development and Finance Agency, the TDI program was designed to promote economic growth and sustainability in the walkable commercial districts in Massachusetts' Gateway Cities.

The Hyannis TDI District was located in Downtown Hyannis along Main Street, extending from Yarmouth Road in the East End to High School Road Extension.

Most notably the Downtown Hyannis Facade Grant Program received a total of \$250,000 in TDI funding over three years (from 2023-2025), which resulted in over \$750,000 of investment in the downtown Hyannis area. 43 different local businesses benefitted from this program, including 9 businesses that received grants in June for the 2025 program.
