2024 RABIES VACCINATION CLINICS

Sponsored by SE MA Veterinary Offices and Cape Cod & Southeast MA Rabies Task Force

The Cape Cod and Southeast MA Rabies Task Force would like to announce upcoming local rabies clinics and encourage everyone to have your animals vaccinated. Domestic pets have been identified as the link between rabies and humans, and Massachusetts State Law mandates that all dogs, cats and ferrets be vaccinated. Please call ahead for detailed information. With official proof of current vaccination, a three-year booster will be available.

Please bring your dogs on leashes and cats and ferrets in carriers. We would like to thank the participating veterinary hospitals for donating their time, facilities, and effort. A list of all clinics is posted at <https://www.mass.gov/service-details/rabies-clinics>, <https://www.barnstablecountyhealth.org/> and on the "[Cape Cod & Southeast MA Rabies Task Force](#)" Facebook page.
