Cape Cod Bridges Project DEIS Public Meeting

What is happening?

The Massachusetts Department of Transportation (MassDOT) invites you to attend an upcoming DEIS public meeting for the replacement of the Cape Cod Bridges. The purpose of this public meeting is to support public review and comment on the Draft Environmental Impact Statement (DEIS), prepared per the requirements of the National Environmental Policy Act (NEPA), for the replacement of the Cape Cod Bridges. MassDOT will provide information about the DEIS, the public review and comment process, and next steps.

How will this affect you?

The project will include the replacement of the Bourne and Sagamore Bridges, provide connections to the local roadway network, and improve multimodal accommodations within the Cape Cod Canal area.

When

Tuesday, December 16th, 2025
6 P.M. EST

Where

Admiral's Hall
Mass Maritime Academy
101 Academy Drive
Buzzards Bay, MA 02532

Registration for this event is not required. Mass Maritime Academy is an ADA-compliant location. Translation services will be available in Spanish, Portuguese, ASL and by request.

Visit <https://www.mass.gov/cape-cod-bridges-program> for more information.

To ensure its meetings are accessible, MassDOT reasonably provides: translation, interpretation, modifications, accommodations, alternative formats, and auxiliary aids and services. To request such services, please contact MassDOT's Chief Diversity and Civil Rights Officer at 857-368-8580 or MassDOT.CivilRights@dot.state.ma.us. For adequate time to process such request, please make them as early as possible, ideally 10-15 days prior to the event.

Please submit any written statements regarding the proposed undertaking to: **Luisa Paiewonsky Executive Director of the Megaprojects Delivery Office, MassDOT, Suite 7410, 10 Park Plaza, Boston, MA 02116, Attention: Highway Division, PROJECT FILE NO. 608020**

5wishes

FIVE WISHES

"Five Wishes" is a document and program created by Aging with Dignity, designed to help individuals express their wishes for end-of-life care. It goes beyond typical medical directives by addressing personal, emotional, and spiritual needs as well as medical preferences. It's a living will that helps people communicate their desires to family, friends, and healthcare providers if they become seriously ill.
