TOWN OF BARNSTABLE ANNUAL

C E N S U S

The Town of Barnstable has mailed out the Census/Voter/Street Listing forms. They started arriving in mail boxes this week. By responding to the census, you are providing proof of your residency to protect your voting rights. If all the information on your census is correct, simply sign the bottom of the census and send it back to the Town Clerk's office. Even if there are no changes you need to sign the form and send it back. Also, if someone has moved out of your household and is a voter – please give us their address, email or phone number so that we may contact them to obtain verification. We cannot remove a voter without their verification; thus many people stay on the census for four (4) years until we can, by law, remove them. If anyone has been added to your household, just put their information down on one of the blank lines. Make any and all corrections on the form. You cannot register to vote on the census form. If you have computer access you can go directly to the Secretary of State's website and register on line at www.sec.state.ma.us. Then click on "Elections and Voting" to register to vote; or come in to the Town Clerk's office and spend a few minutes with us as we enter your voter registration into our computer. We are always pleased to see and work with our residents. For those residents who live part of the time here in Barnstable, and part of the time in a warmer climate, you fill out the census form using the following guidelines:

- You are a Town of Barnstable resident if:
 - This is your permanent address
 - This is where are you registered to vote
 - On your Massachusetts driver's license you have a Town of Barnstable address

As always, if you have any questions, please call the Town Clerk's office at 508-862-4044. We will be happy to help you!
