Route 28 Sewer Expansion Project – Route 28 Westbound Detour

Starting Monday, January 22nd, construction crews will be performing sewer-related work within Route 28. This activity will not require excavation of the roadway, however a single-direction detour will be necessary to safely complete the work. Work is anticipated to take the full week and will occur during the hours of 8:30AM to 5:00PM, weather permitting.

TOWN OF BARNSTABLE ANNUAL

The Town of Barnstable has mailed out the Census/Voter/Street Listing forms. They started arriving in mail boxes this week. By responding to the census, you are providing proof of your residency to protect your voting rights. If all the information on your census is correct, simply sign the bottom of the census and send it back to the Town Clerk's office. Even if there are no changes you need to sign the form and send it back. Also, if someone has moved out of your household and is a voter – please give us their address, email or phone number so that we may contact them to obtain verification. We cannot remove a voter without their verification; thus many people stay on the census for four (4) years until we can, by law, remove them. If anyone has been added to your household, just put their information down on one of the blank lines. Make any and all corrections on the form.

- You are a Town of Barnstable resident if:
 - This is your permanent address
 - This is where you are registered to vote
 - On your Massachusetts driver's license you have a Town of Barnstable address

As always, if you have any questions, please call the Town Clerk's office at 508-862-4044. We will be happy to help you!
