TOWN HALL

Town Manager Grant of Location Hearing was held Wednesday July 12th

These regulations provide application procedures and standards for the placement of wireless communication facilities in the public rights of way. The purpose of these regulations is to provide a uniform and comprehensive set of objective procedures and standards for the location, placement, installation, height, appearance and operation of personal wireless service facilities in the public ways to meet the needs of residents, business owners and visitors, while protecting public health and safety and the aesthetic character of the community, consistent with applicable state and federal requirements. You can view the hearing [HERE](#) and submit comments by close of business on Friday, July 28th to elizabeth.jenkins@town.barnstable.ma.us
