# SHELLFISHING CLASSES FOR KIDS

SATURDAY JUNE 28th @ 8:30 AM at Bridge St. Landing, Osterville

SUNDAY JUNE 29th @ 9:30 AM at Bridge St. Landing, Osterville

Natural Resources staff and town shellfish volunteers will be available to assist.

Be prepared to get wet! Waders, hip boots or knee boots would be helpful. Protective gloves are necessary. Clam rakes will be provided!

The clammer kid that finds the hot pink clam wins a prize!

SHELLFISH REGULATIONS APPLY AS ALWAYS!

As warmer weather brings more time outdoors, it's important to stay vigilant about tick prevention. June is our peak tick season. Ticks can carry harmful diseases, but with a few simple precautions, you can reduce your risk.

Find key prevention tips and helpful resources to keep you, your family, and pets safe this season [HERE](#).

# 2025 Downtown Hyannis Façade Improvement Grant Program

## Downtown Hyannis Façade Grant Program - \$50,000 in Grant Awards Announced

The 2025 Downtown Hyannis Façade Grant Program will support nine small businesses to improve the aesthetics of their storefronts with projects that include new signage, awnings, siding, and other attractive exterior improvements. Through additional matching funds provided by participating businesses, this funding is expected to result in approximately \$115,000 dollars in new investment to the downtown Hyannis area.

This program was made possible through funding from a MassDevelopment Transformative Development Initiative (TDI) Local Grant. The Town of Barnstable's Planning and Development Department worked collaboratively with the BID to plan and manage the grant program.

Local businesses receiving 2025 grants:

**521 Main: \$10,000**

**Pour Decision Wine Bar: \$8,696**

**Ocean Street Café: \$6,507**

**Wicked Willy's Tiki Bar: \$5,000**

**JFK Hyannis Museum: \$5,000**

**Portside Tavern: \$5,000**

**Side Door Bagels: \$5,000**

**Comfort Inn: \$4,176**

**19th Hole Tavern: \$500**

### Barnstable High School Students -- Cordel Literature Ms. Mueller's 8th Grade Art Classes

Cordel Literature, inexpensive chapbooks or folhetos, have circulated in Brazil for centuries and are now considered an important part of Brazilian folk and popular culture. The name is derived from the cord on which the booklets are displayed. 8th Grade BHS Students retold or wrote stories that are meaningful to them and carved a block print to serve as the cover.

Literatura de Cordel, folhetos baratos ou catálogos, circulam no Brasil há séculos e são hoje considerados parte importante da cultura popular brasileira. O nome deriva do cordão em que os folhetos são pendurados. Alunos do 8º ano aqui a BHS recontaram ou escreveram histórias que lhes eram significativas e esculpiram uma gravura em bloco para servir de capa.

La literatura de cordel, o folhetos, ha circulado en Brasil durante siglos y ahora se considera una parte importante de la cultura popular brasileña. El nombre deriva del cordón en el que se colocan los cuadernillos. Estudiantes de 8.º grado de BHS relataron o escribieron historias significativas para ellos y tallaron una lámina para la forra.

## THE CICADAS ARE HERE

*As the temperatures rise, so does the chorus of our summer friends — cicadas!*

Cicadas can reach noise levels over 100 decibels — that's about as loud as a chainsaw or a motorcycle!

### ⌚ WHEN ARE THEY ACTIVE?

Cicadas typically make noise from sunrise to sunset, with peak volume often occurring during the hottest part of the day. Their emergence and buzzing season usually lasts 4 to 6 weeks, then they go away for the next 17 years!

### 👂 PROTECT YOUR EARS 👂

Earplugs or noise-canceling headphones can reduce the impact of cicada noise. Take regular quiet breaks indoors to give your ears a rest.

So go out and enjoy nature's noisiest party, just remember to keep your ears in mind.

### FYI...

When Staff from the BACC call you from the center, your Caller ID will likely show a **(508) 790- number and may be labeled Probable SPAM/ Barnstable**. If on a cell phone, you can not reach us by tapping that missed call. **You need to call our main number (508)862-4750**. We repeatedly urge people to be cautious with accepting calls from unknown parties, but want to be sure to connect with you when you have a question or assistance is needed.

If when at the BACC you leave a pet in your car, please inform Samantha at the Front Desk when you arrive so we know who to contact should a concern arise.

Please be sure to swipe your key tag card at the front desk every visit. If you do not have a card or have misplaced your card, please speak with someone at the front desk to obtain one or replace. By signing in each time you visit the BACC for a program or a service, you are helping us keep track of attendance, which in turn helps the COA qualify for various grants and to know which programs are popular.

## RESPITE PROGRAMS WITH STACEY CULLEN

### MEMORY 101: WHAT'S NORMAL AND WHAT'S NOT

This program aims to offer a comprehensive understanding of normal aging, the typical forgetfulness associated with aging, and more severe memory issues. As individuals grow older, it is common for subtle alterations in memory to take place as a natural aspect of the aging process. Nevertheless, there are instances when these changes manifest earlier or progress more rapidly than one might expect. *Monday, June 23 (10AM-11AM) | Marstons Mills Library*

### ESSENTIALS OF HEALTHY AGING

This initiative seeks to explore the different factors that positively influence the aging process. While genetics may play a role in aspects beyond our control, research shows that there are many steps individuals can take to manage their health, maintain independence, and enhance their overall quality of life as they age. *Thursday, June 26 (10AM-11AM) | Osterville Library*

The Red Cross and the OVL are collaborating for the 3rd year to bring awareness to the need for donors.

**Join us June 19th for this important blood drive and information session at Osterville Village Library.**

Why are blood donations so important for patients with sickle cell disease?

- About 100,000 people in the United States have sickle cell disease.
- Sickle cell disease affects 1 out of every 365 Black or African American births.
- People with sickle cell disease may need as many as 100 units of blood each year.
- Your blood donations could help alleviate the symptoms of someone living with sickle cell disease, or even help save their life.

Appointments to donate blood can be made at [REDCROSS.org](http://REDCROSS.org)
