On Monday May 22nd, the thirty-nine members of the 33rd Session of the Barnstable Police Department's Citizen's Police Academy graduated in a ceremony that was held in the James Crocker Hearing Room at Town Hall. Lt. David Cameron opened the ceremony with the bagpipes, then the graduation featured remarks by Chief Sonnabend, and class president Maggie Van Sciver. Town Council President Matt Levesque sang the National Anthem, and State Rep. Steven Xiarhos led the group in the Pledge of Allegiance.

The mission of the Barnstable Police Department's Citizen's Police Academy is to create partnerships and establish trust with all members of our community. We will accomplish this by creating an intensive and educational program that will allow participants to interact with officers, and observe how the Barnstable Police Department operates. The CPA will allow our residents to gain a better understanding of the fair, professional, and compassionate policing that takes place on a daily basis in the town of Barnstable.
