During May and June, four bilingual children's picture books in four community-spoken languages (Portuguese, Haitian Creole, Spanish and French), paired with English, will be featured on large signs, placed along the Walkway-to-the-Sea brick path starting near the base of the Hyannis Village Green and looping through to the Harbor Overlook. This area is steps away from the Hyannis Public Library. The placement of the signs allows visitors to walk and engage with the story as they

visit this picturesque area. Each book in the series will be up for two weeks, and related Grab-and-Go craft kits will be available at the Hyannis Public Library for families to pick up.

StoryWalk® was created by Anne Ferguson of Montpelier, VT and developed with the help of Rachel Senechal, Kellogg-Hubbard Library.

### ABOUT THE PROGRAM:

Antonia Stephens, Executive Director of Hyannis Public Library, created this program to celebrate the cultural diversity of Hyannis through the medium of stories. "Hyannis is at the center of the Town of Barnstable's designation as a Gateway city. There are immigrant families living here from all over, particularly South America, Mexico, the Caribbean and Eastern Europe. We believe the languages and stories of our immigrant families are a vibrant, integral part of the "story" of Hyannis." This project is supported by grants from the Massachusetts Cultural Council and the Town of Barnstable. Hyannis Public Library's mission is to welcome diversity, inspire creativity, stimulate intellectual curiosity and facilitate lifelong learning by providing high quality resources, programming and services to all.
