HIGH FIRE DANGER

Think Before Burning

DUE TO WIND AND DRY CONDITIONS, OFFICIALS ARE ASKING RESIDENTS TO:

Remember that open burning is prohibited statewide through January and in many communities year-round.

Refrain from outdoor cooking and heating. Sparks and embers from chimineas, fire pits, and grills can easily ignite dry vegetation, debris, and overhanging branches.

Use caution with lawnmowers, leaf blowers, all-terrain vehicles, and other power equipment. The engines can become hot enough to ignite dry leaves and grass.

Dispose of ashes from fireplaces and wood stoves in a metal can, douse them with water, and cover them with a tight-fitting lid. These ashes can remain hot enough to ignite combustibles long after the fire goes out: never dump them outdoors or in the trash.

Extinguish smoking materials in a sturdy ashtray with water or sand. Never toss cigarette butts, matches, or other smoking materials over the edge of a balcony, stub them out on stairs or railings, or toss them in dry vegetation or debris.

Weather conditions statewide place all Massachusetts communities at elevated risk of brush fires. Many of these fires could spread to or from residential areas. Residents should monitor fire conditions closely and follow instructions from local public safety officials.

Find more outdoor fire safety tips on the [Department of Fire Services' website](#).

Community Digital Equity Workshop
November 19, 2024 5:30 PM - 7:30 PM
West Barnstable Community Center
2377 Meetinghouse Way, West Barnstable

The Town of Barnstable is working with the Cape Cod Commission to develop a municipal digital equity plan. The plan will detail challenges that community members like you face with the internet and technology. Together, we can identify solutions to ensure that all have equal access to our increasingly digital world. Your perspective is critical – join us to shape the plan!

The Savvy Caregiver

Presented by Alzheimer's Family Support Center

FREE

The Savvy Caregiver is a free five-session educational training for active family caregivers of people living with Alzheimer's or other dementia-related diseases. Caring for a person living with Alzheimer's or related dementia is specialized work. To do this successfully, caregivers need special skills, knowledge, good self-care, and a positive attitude. This six-session course provides caregivers with the skills and knowledge they need to provide the highest level of care for loved ones, as well as for themselves.

Please pre-register for this program by calling
(508) 896-5170

Tuesdays, Nov 12, 19, 26, Dec 3 & 10

10:00am – 12:00 pm
