This year's guest speaker is Air Force Colonel Betty Ludtke (Ret). The program will conclude with the laying of the wreaths and the Benediction.

IMMEDIATELY FOLLOWING THE VILLAGE GREEN CEREMONY

Everyone is invited to attend the 8th Annual Veterans Town Hall in the James H. Crocker, Jr. Hearing Room, Barnstable Town Hall, 2nd Floor, 367 Main Street, Hyannis. The event features six (6) ten-minute testimonies of Combat Veterans.

This event's concept was created by Sebastian Junger, Journalist, Author and Veterans Advocate, and supported by Congressman Seth Moulton, former Marine and Iraq Veteran.

For those unable to attend the Veterans Town Hall event in person, Barnstable Government Access TV will air it live on Xfinity and via the livestream on the Town's website. Barnstable Government Access is also available on streaming devices including Apple TV, Roku, and Amazon Fire Stick. Just search "Barnstable" to download our app today. This A Christmas Carol goes beyond other adaptations with a unique dramatic concept: At the opening curtain, Charles Dickens himself is introduced to the audience, ready to present one of the famed platform readings of his stories that packed auditoriums in Europe and America.

Of course, the story chosen is one which he often performed, A Christmas Carol (Dickens' marked-up script still exists!). The story unfolds behind him, and soon Dickens is weaving in and out of the action, observing, performing small roles, interpolating short passages of rich narrative never heard in other versions.
