SEEKING NEW LOCAL COMPREHENSIVE PLANNING COMMITTEE MEMBERS!

The current Local Comprehensive Planning Committee (LCPC) is comprised of representatives of all seven villages and members of several Town Boards and Committees.

The Town Manager is seeking to appoint additional members to the Local Comprehensive Planning Committee as it begins phase two of the planning process. The Town is looking to diversify representation on the Committee to ensure the Committee's makeup is reflective of the community's population and is therefore seeking applications, particularly from people of color, people with disabilities, and people whose first language is not English. If you are interested in participating in the committee, please complete the online application [HERE](#).

The comment period on the Draft Environmental Impact Report for the New England Wind 2 Connector project (EEA# 16611) has been extended.
