The last day to participate in the U.S. 2020 Federal Census is now September 30, formerly October 31.

This announcement further jeopardizes Congressional representation, redistricting, and critical federal funding for things like education, housing, food programs, and more in the Town of Barnstable during the next 10 years. It could lead to a significant undercount. Only 58.0 percent of Barnstable’s households have responded to date. The census is quick, easy, and important, and all of your answers are

confidential. You can respond to the U.S. Census by going online to my2020census.gov, by phone at 844-330-2020, or by mailing back the paper form delivered to you. Multiple languages are available. Please respond and be counted today. **Currently the self-response rate nationally is 66.3%. Massachusetts has a 68.7% self-response rate; Barnstable County 50.5%; and the Town of Barnstable 58.0%.**

Public Notice – Scudder Bay Boat Ramp

Material delivery and construction to begin on September 15th, ending October 31st, on three private erosion control projects located at 203, 211, and 205 Scudder's Lane SE3-5789, SE3-5788, SE3-5790.

Permission has been granted by the Town for the contractor to deliver materials using the Scudder Lane parking area for #203 Scudder Lane (DE3-5789), with the other two properties pending license agreements, following these conditions:

1. Rock delivery is anticipated to be on Tuesday and Thursday of each week to minimize any disruption to use of Scudder Lane and the boat ramp.
2. Rock delivery to occur as close to high tide as possible.
3. Rock will be delivered to the left of the parking area as you face the water, using steel plates and sand to protect the edge of the parking lot. Vegetation will be replanted. The boat ramp will not be used for any material deliveries. The contractor will have personnel in the parking area to help manage and minimize traffic disruptions during rock delivery.

4. No machinery or equipment will operate to the East of the boat ramp.
5. On Wednesdays, no work or deliveries shall occur from two (2) hours before and then through two (2) hours after low tide.
6. No machinery, equipment, or materials will be stored in parking areas or on ramp. Staging areas will be on the upper portions of the beach near the toe of the coastal bank, or in the homeowner's driveway in the event of a storm.
7. No work to occur within the salt marsh.
8. Vegetation removal was approved on the bank prior to this notice.

Public is welcome to continue to use the ramp during this time, however, please be advised there may be a delay in access during a delivery. Please stay out of construction zone if walking the shoreline to the left. We appreciate your cooperation during this process. You are welcome to contact Conservation at 508-862-4093 or MEA at 508-790-6727 with questions.

News from the Barnstable Council on Aging Medicare Open Enrollment Begins October 15th

Andrew Newman – ARTIST SPOTLIGHT at Barnstable Town Hall

Andrew Newman is currently the featured artist at Barnstable Town Hall. His often humorous titles and images are currently displayed on the walls of the James H. Crocker, Jr. Hearing Room and Selectmen's Conference Room in Barnstable Town Hall. Artwork may be viewed on the artsbarnstable.com website [HERE](#) and a video interview with Andrew Newman, produced by the Town of Barnstable's Channel 18 may be viewed [HERE](#).

ABOUT THE ARTIST:

He could easily be known as the "Cod Father" for his elevation of the ubiquitous and historically maligned codfish to an unimagined artistic level. Andrew began his career in New York City as a graphic designer, working primarily in the publishing industry. His covers have an international recognition for designs he has done for bestselling authors including Danielle Steel, Elmore Leonard, and John Gray. When Andrew moved to Cape Cod, he continued designing book jackets as well as branding, corporate and personal logos and web design. In December 2007 the cod concept was born as he began his foray into cod designs with his first, "The Christmas Cod." His "cods" are visible throughout the Cape and have been sold throughout the world as cards, prints, posters, apparel and signage. The Marstons Mills Public Library's sign is the "Library Cod".

His work is fun, whimsical and personal.

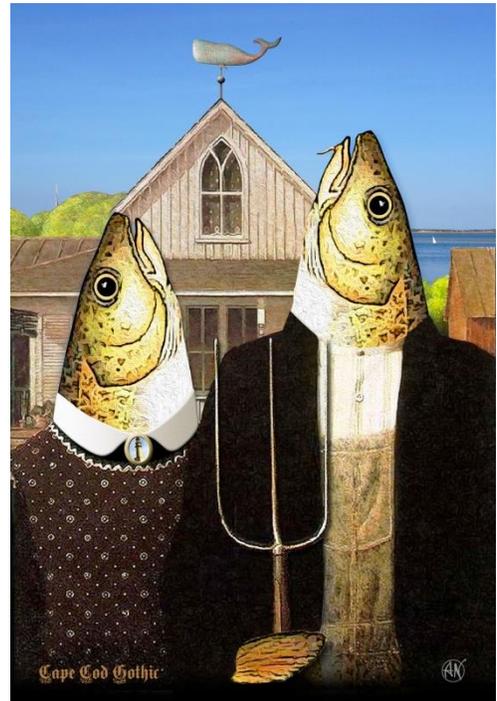

ARTIST STATEMENT:

"Artists and designers draw from their life and where they live. They see details, minutiae, shapes, and colors that most people don't. To be an artist living on Cape Cod is to be inspired every day."

ABOUT THE ARTIST SPOTLIGHT PROGRAM:

Artwork is displayed in the James H. Crocker, Jr. Hearing Room and the Selectmen's Conference Room, 2nd floor in Barnstable Town Hall, 367 Main Street, Hyannis.

Artwork may be viewed virtually at artsbarnstable.com along with a video interview with the artist. For more information on this program, email: melissa.chartrand@town.barnstable.ma.us or call 508-862-4767 www.ArtsBarnstable.com

Town of Barnstable Economic Recovery Planning

Town of Barnstable staff are working to help our businesses reopen successfully, recover from this crisis, and move towards a strong and prosperous future. We are listening to and working with our businesses, residents, the Economic Development Task Force (a Town Council presidential subcommittee), the Hyannis Main Street Business Improvement District, and other community partners on developing an [Economic Recovery Plan](#), with an initial focus on promoting the safe and successful reopening of businesses when allowed by the Governor. We are looking at ways the Town can support our local businesses, while promoting public health and safety. If there are ways we can help you succeed in the coming days, months, and in the long-term, please reach out and share your suggestions with us. Submit your suggestions on the [Economic Recovery Plan website](#). Additionally, we encourage our businesses to take the [Cape Cod Commission's online survey](#) for Cape Cod business owners. The

survey is being conducted to better understand the current and anticipated economic impacts of COVID-19. Data collected through this survey will be used to support economic recovery now and in the coming weeks and months, and can be leveraged by businesses, towns, and other organizations in future grant applications and reports.

***UPDATED* Massachusetts Department of Transportation – Highway Division
Notice of a Public Hearing - Project File No. 607398 – Now scheduled to go live
October 9, 2020**

A Virtual Design Public Hearing will be published on the MassDOT website below to present the design for the proposed Barnstable – Yarmouth Cape Cod Rail Trail (Phase III) project in Barnstable and Yarmouth, MA.

WHEN: Friday, October 9, 2020

PURPOSE: The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed Barnstable – Yarmouth Cape Cod Rail Trail (Phase III) project. All views and comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

PROPOSAL: This project proposes to extend the CCRT through Yarmouth and into a portion of Barnstable, to a new trail head on Mary Dunn Road in the Town of Barnstable. The route of the CCRT Phase III will follow a combination of an existing shared-use path and a newly constructed shared-use path. Bicycle accommodations consisting of a 10' bicycle lane have been provided in accordance with applicable design guides. A secure right-of-way is necessary for this project. Acquisitions in fee and permanent or temporary easements may be required. The Towns of Barnstable and Yarmouth are responsible for acquiring all needed rights in private or public lands. MassDOT's policy concerning land acquisitions will be presented in the hearing.

Written statements and other exhibits regarding the proposed undertaking are to be submitted to Patricia A. Leavenworth, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: Project Management, Project File No. 607398. Mailed statements and exhibits intended for inclusion in the public hearing/meeting transcript must be postmarked no later than ten (10) business days after the hearing is posted to the MassDOT website listed below. Project inquiries may be emailed to dot.feedback.highway@state.ma.us. This hearing is accessible to people with disabilities. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request (e.g. interpreters in American Sign Language and languages other than English, live captioning, videos, assistive listening devices and alternate material formats), as available. For accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857-368-8580), TTD/TTY at (857) 266-0603, fax (857) 368-0602 or by email (MassDOT.CivilRights@dot.state.ma.us). Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the hearing. This Virtual Design Public Hearing or a cancellation announcement will be posted on the internet at www.mass.gov/massdot-highway-design-public-hearings.

Dead Neck Sampson's Island Dredging & Beach Nourishment Project – Phase 3

The Town of Barnstable, working with Barnstable County Dredge, began on Phase 3 of the Dead Neck Sampson's Island Dredging & Beach Nourishment project on Monday, September 14th. The project includes dredging of approximately 40,000 cubic yards of sand on the west end of the island, which will be re-used onsite for habitat and beach nourishment. Vessels for the transport of Barnstable County Dredge and general contractor employees will be anchored at the Cotuit Town dock for the duration of construction. Dredging operations began on **September 21, 2020** and is anticipated to last through **November 20, 2020**, with beach nourishment activities anticipated to last through **December 30, 2020**. Weather pending, construction/dredging will be on-going, Monday through Saturday from 7:00 AM to 5:00 PM until completion of this phase of the project. Boat operators in Cotuit Bay and the Seapuit River are encouraged to use caution when operating in this area during dredging and nourishment operations.

ROAD WORK UPDATES

As always please slow down and use extreme caution when traveling through the road construction areas and follow posted safety and detour signs.

***NEW* MassDOT Route 28 Pavement Repairs**

Lawrence-Lynch Corp, acting through MassDOT, will be repairing pavement along two sections of Route 28 on October 1, 2020. The work will include repairing deteriorated asphalt at (2) locations associated with Route-28 eastbound lane at 1875 Falmouth Road and driveway apron reconstruction at 762 Falmouth Road. Weather pending, construction will be on-going, Monday through Friday from 7:00 AM to 3:30 PM until completion of the work. Work within Route 28 is anticipated to start and be completed on October 1, 2020. Lane restrictions will be controlled by police details. As always, please slow down and use extreme caution when traveling through the road construction areas, and follow posted safety and detour signs.

***NEW* National Grid New Customer Hookups**

Thursday, October 1, 2020 through Friday, October 2, 2020 Neuco crews will install gas service on High School Road, Hyannis. Typical natural gas service installation includes marking out underground utilities within the project area, excavation of the street, laying gas main, relaying customer's individual gas service and connecting those services to the main and installing meters. This project should take about five days to complete. Visit ngrid.com/service line to view a YouTube video explaining the replacement of the service pipe to customer homes. Operations will start promptly at 7:00 AM and run until 3:00 PM. Reduce speed, and use caution. All scheduled work is dependent on weather and/or may be impacted due to an emergency situation.

***CONTINUES* Drainage & Pavement Improvements on Huckins Neck Road in**

Centerville/Barnstable Village Pavement improvements on Huckins Neck Road in Centerville and Barnstable Village will continue through November 20, 2020. The work includes installation of new drainage systems, repairs to existing drainage systems, milling of the existing pavement, and adjustment of drainage structure castings, overlay with new pavement and restoration of any areas disturbed during construction. Normal work hours will be between 7:00 AM to 5:00 PM, Monday through Friday. Through traffic will be maintained throughout construction. Any lane closures will be supported with police details to direct traffic. Motorists are advised to seek alternate routes to avoid the construction work.

***CONTINUES* Geotechnical borings for the Rte. 28 East Sewer Expansion**

Project The Town of Barnstable's design consultant (Weston & Sampson) will be completing geotechnical borings for the proposed Rte. 28 East Sewer Expansion Project starting on September 14th. Work will include approximately thirty-one (31) soil borings within the State Highway Layout of Route 28 (Falmouth Road) in Barnstable, MA, between the intersection with Phinneys Lane and just east of the intersection with Pitchers Way. The traffic flow will be maintained throughout the drilling, including proper signage. It is envisioned that the soil boring work within Route 28 will take up to two (2) weeks.

***CONTINUES* Pipe Installation, Hinckley Road from Falmouth Road to Route**

132 National Grid Work for installation of a new gas main in Hinckley Road in Hyannis will restart on September 15th. The project includes installation of new 10" gas main from Falmouth Road to a regulator pit within Hinckley Road and a 12" gas main from the regulator pit to a tie-in in Route 132. Work will be performed during the day, Monday through Friday from 7:00 AM to 4:30 PM. Hinckley Road will be closed to through traffic. Gas line installation is anticipated to be completed by October with final restoration to be done in spring 2021.

***CONTINUES* National Grid Service Road**

National Grid will be installing a new gas main on Service Road in Barnstable. Work will be performed during the day, Monday through Friday from 6:00 AM to 6:00 PM. Service Road will remain open with one-lane of traffic. Police details/ flaggers will be used as needed. ***CONTINUES* Survey and Map five of the Phase 1 Sewer Expansion Projects**

As the first step in a multi-year planning and design effort, the Barnstable Department of Public Works has contracted with multiple land surveying firms to survey and map five of the Phase 1 Sewer Expansion Projects identified in the Town's Comprehensive Wastewater Management Plan. The projects include the mapping of dozens of roadways, including many residential areas for the following Phase 1 projects:

- Phinney's Lane Sewer Expansion Project which includes Phinney's Lane from Route 132 to Route 28 including residential roads to the east and west of Phinney's Lane
- Long Pond Area Sewer Expansion Project which includes all roadways between Old Stage Road /Park Avenue (western limits) and Strawberry Hill Road (eastern limits) and including the residential areas on the north and south side of Pine Street

- Route 28 East Sewer Expansion Project which includes Route 28 from the Water Pollution Control Facility property to Phinney's Lane
- Route 28 Centerville Sewer Expansion Project which includes Route 28 from Phinney's Lane to East Osterville Road and includes East Osterville Road and Old East Osterville Road
- Route 28 Marstons Mills Sewer Expansion Project which includes Route 28 from East Osterville Road to Old Post Road

Citizens can expect survey field crews to be working within the project areas at various times throughout the summer and fall. In the coming weeks, property owners within the project areas will be receiving notifications from the survey consultants which provide further detail on the survey project. Citizens are encouraged to review the Town's Comprehensive Wastewater Management Plan which is available on the Town's website at: https://townofbarnstable.us/WaterResources/CWMP_Final.asp any questions regarding this survey effort, or the Town's Comprehensive Wastewater Management Plan, should be directed to the Barnstable Department of Public Works at 508-790-6400.

MEMA Offers Resource of Testing Site Map

The Massachusetts Emergency Management Agency is a great resource for COVID-19 testing locations with its [COVID-19 Test Site Locator](#). The map provides an easy way to locate a COVID-19 test site near you. All of those experiencing symptoms or those who have been in close contact recently with a COVID positive individual should seek testing. There are different filters you can choose, such as free testing for residents, test children, referral not required, drive thru services, etc.

Cape Cod Healthcare Mid-Cape COVID-19 Testing Location at Cape Cod Hospital

Cape Cod Healthcare's mid-Cape drive-through testing site is located on the campus of Cape Cod Hospital. A second testing facility on the campus of Falmouth Hospital continues to supplement testing access by serving the upper Cape community. As a reminder, testing is available to any person on the Cape and Islands with a doctor's order, including those with a physician not affiliated with Cape Cod Healthcare and/or not located on Cape Cod. Individuals without a primary care physician can call the dedicated call center (508-862-5595) to be screened for testing by a clinical provider by phone. For more information about COVID-19 testing at Cape Cod Healthcare, see capecodhealth.org/coronavirus.

Learn about Eastern Equine Encephalitis (EEE)

Mosquito bites can cause serious illness. Take steps to protect yourself & your family. When outdoors, always use EPA-approved repellent & wear mosquito-resistant clothing, like pants or long sleeves. Repair broken doors & window screens. More info: <https://www.mass.gov/mosquitoes-and-ticks>

Learn about EEE

Eastern equine encephalitis (EEE) is a rare but serious disease caused by a virus that can affect people of all ages. EEE is generally spread to humans through the bite of a mosquito infected with the virus. EEE can cause severe illness and possibly lead to death in any age group; however, people under age 15 are at particular risk. EEE does not occur every year, but based on mosquito sampling, a high risk of occurrence of human cases currently exists. Learn more about EEE and how to protect yourself and your family in this [fact sheet about EEE](#).

2020 Season

[Routine mosquito testing](#) began on June 15, 2020 and will continue through October. The Department of Public Health in partnership with Local Mosquito Control Projects will conduct comprehensive

surveillance activities state-wide to assess the risk of WNV and EEE in 2020. [Risk maps and EEE and WNV detections](#) will be routinely updated. You can watch a brief video from the State [here](#).

Are You on the Town's Emergency Notification System?

The Barnstable Police Department has an emergency notification system. This system has been used to provide information during the ongoing COVID-19 event and for the recent COMM Water District issue. Did you know that only landlines are part of the federal and state Reverse 911 system and you must register cell phones which are not public records? Make sure you are on our list. Sign up [here](#) today. **What is CodeRED and why is it important to me?** CodeRED is an emergency notification service by which town officials can notify Barnstable residents and businesses by telephone, cellular phone, text message, or electronic mail about time-sensitive emergency situations or important community alerts. The system is capable of sending messages only to specific neighborhoods or the entire town. Only authorized officials are allowed access to use the system. Frequently asked questions can be reviewed [here](#). Be sure to take a moment to learn more about this important notification system.
